

## **DRUG & ALCOHOL POLICY**

Busselton Civil Pty Ltd (BCP) BCP is committed to providing a safe workplace for our employees, subcontractors, suppliers, clients and associated stakeholders. For this reason, it is our objective to maintain a work environment in which the safety and the optimum performance of employees is not adversely affected by the use of alcohol or other drugs.

BCP has an obligation to provide a safe working environment. As such, employees, subcontractors, suppliers, clients and associated stakeholders engaged on a workplace controlled by BCP are not to be under the influence of alcohol or drugs during working hours and must at all times carry out their duties and responsibilities in a safe manner.

Where applicable, BCP will also comply with the requirements of a client or principal contractor's alcohol and drug policy and fitness for work program.

Employees, subcontractors, suppliers, clients and associated stakeholders who arrive at a BCP workplace under the influence of alcohol or drugs will be considered unfit for work. If you are taking prescription medicine that may have an adverse effect when driving or operating machinery or that may be detected during a random drug and alcohol test, you are required to notify the relevant BCP supervisor.

Please note that BCP reserves the right to undertake drug and alcohol testing for employees on a random or with cause basis.

Any breach of the above policy will be viewed as serious misconduct with grounds for disciplinary action and may result in immediate dismissal.
